Forming scholars to be disciples in the world and saints in heaven

Dear Sir/Madam:

We would like to tell you about how you can become part of the growing ministry of the Sisters of the Sacred Heart, educating children in the Faith, preparing them to be disciples in the world and saints in heaven.

Sacred Heart Private School, is a private elementary school run by the Sisters of the Sacred Heart in Welland Ontario that offers a solid, academically based classical education immersed in the truths and teachings of the Catholic Faith.

The Preschool and Kindergarten program was established in 1961 and the Elementary School was established in 2022.

The positive growth we have experienced over the years indicates that there is a real need for the type of care and education we provide and we have responded to this need by expanding our school, hiring staff and renovating classrooms to provide more space.

As a ministry, the school receives no financial assistance from the Government or the Church. Tuition fees are required in order to cover the costs of running a school, however it is often a financial burden that families cannot manage alone. That is where you come in!

Student Sponsorship Program: As a sponsor, your donation can provide a specific student or family with either partial or full tuition. Full annual tuition is \$4,000 per student. You may arrange this directly with the family, however you need to submit your donation directly to the Sisters of the Sacred Heart so that you will be able to receive a tax receipt for your support and the family will be invoiced accordingly.

You have the benefit of supporting the growth of the school as well as a young and growing family who desires this type of education for their children and who may not otherwise be able to afford it. The Sisters of the Sacred Heart are a registered charity so your financial contributions are tax deductible and you have the assurance that your donation will be put to good use.

Donations can be made by e transfer to **sacredheartchildcare@gmail.com**
or by check to - **Sisters of the Sacred Heart 1 Edward St. Welland ON L3C 5H2**

Be sure to provide your full name and mailing address so that we can issue a tax receipt.

As much as we rely on financial support and are humbly grateful for any donations we receive, we rely even more on the prayerful support of members of the community. This is not an easy endeavor and we want to be sure that we are responsive to the will of God in every decision we make. For that we ask for your continued prayers.

Be assured of being remembered in the Sisters' daily prayers as a benefactor and supporter of this work of the Sacred Heart.
